

5191 Taylor Ave. NE

From Agate Pass Bridge, once on the Island, stay on 305 until the 2nd light which is Sportsman Club Road. Turn right on Sportsman Club. Proceed to the 3rd stop sign which will be a T in the road at Finch and Sportsman Club. You will turn left on Finch. At the next stop sign you will turn right on Wyatt Way. Wyatt will curve left down around the head of the bay. At the bottom of the hill will be a junction. Go left onto Eagle Harbor Drive. Do not go right toward Lynwood. It will be two miles from the head of the bay to Taylor. At Taylor go right. At the top of the hill, at the first intersection (of Taylor and Ronald Ct. on the right and Creosote Hill on the left) will be a yellow house on your right. Park along the bushes in front of the house. Come in through the wooden gate in front of your car. There will be a few steps down and a deck to your right. Just come on up to the deck and come in to the office. I will be looking for you. Call if you get lost.

From the Ferry: At the main light go left onto Winslow Way. At the four-way stop turn right onto Madison. At the next four-way stop turn left onto Wyatt Way. Wyatt will curve left down around the head of the bay. At the bottom of the hill will be a junction. Go left onto Eagle Harbor Drive. Do not go right toward Lynwood. It will be two miles from the head of the bay to Taylor. At Taylor go right. At the top of the hill, at the first intersection (of Taylor and Ronald Ct. on the right and Creosote Hill on the left) will be a yellow house on your right. Park along the bushes in front of the house. Come in through the wooden gate in front of your car. There will be a few steps down and a deck to your right. Just come on up to the deck and come in to the office. I will be looking for you. Call if you get lost.

I do ask that you try to refrain from using scented body products as many of my clients have sensitivities. Also I ask that you take off your shoes. So if your feet get cold you may want to wear socks.
